 - (i) Breach of, or default under this Agreement.

11. CONFIDENTIALITY

11.1 The Parties recognize that each of them will be given and have access to confidential and proprietary information of the other Party ("Confidential Information"). The Parties shall use such Confidential Information only for the purposes envisaged and specifically provided and shall keep such information strictly confidential and not disclose to any third party any of the confidential and proprietary information. The obligations of confidentiality shall not apply to any information that:

- a) was developed independently by the Party;
- b) was known to the Party prior to its disclosure by the disclosing Party;
- c) has become generally available to the public (other than by virtue of its disclosure by the receiving Party);
- d) may be required in any report, statement or test submitted to any governmental or regulatory body;
- e) may be required in response to any summons or subpoena or in connection with any litigation; or

f) may be required to comply with any law, order, regulation or ruling.

11.2 Provided that prior to any disclosure in respect of a request to disclose confidential information under above sub-sections (d), (e) and (f), the disclosing Party must first notify the other Party owning such Confidential Information, who shall then have the opportunity to respond to and/or dispute such request. The provisions of this clause shall survive the termination of this Contract.

12. WAIVER OF RIGHTS

No forbearance, delay or influence by Purchaser in enforcing any of the provisions of this Contract shall prejudice or restrict the rights of Purchaser nor shall any waiver of its rights operate as a waiver of any subsequent breach and no rights, powers, remedies herein conferred upon or reserved for the Purchaser is exclusive of any other right, power or remedy available to Purchaser and each right, power or remedy shall be cumulative.

13. ENFORCEMENT OF TERMS

The failure of either Party to enforce at any time, any of the provisions of the Contract or any right in respect thereto or to exercise any option here in provided, shall in no way be construed to be a waiver of such provisions, rights or options or in any way to affect the validity of the Contract.

14. SUSPENSION OF WORK

The Owner may suspend the work in whole or in part at any time by giving Contractor notice in writing to such effect stating the nature, the date and the anticipated duration of such suspension. On receiving the notice of suspension, the Contractor shall stop all such work, which the Owner has directed to be suspended with immediate effect. The Contractor shall continue to perform other work in terms of the Contract, which the Owner has not suspended. The Contractor shall resume the suspended work as expeditiously as possible after receipt of such withdrawal of suspension notice. During suspension, the Contractor shall be entitled to receive from the Owner appropriate adjustment in payment for Completion Schedule only.

15. TERMINATION

Notwithstanding anything herein above contained, in the event of contractor being adjudicated insolvent, or being a company dissolved or ordered to be wound up, then in such event, the contract shall automatically stand terminated and in the event of breach, default or violation of any of the terms hereof by Contractor or for any reason whatsoever, "TSPL" shall be at liberty to terminate this contract forthwith and without prejudice to all other rights and claims of "TSPL" under this contract or otherwise in law against the contract/order and Contractor shall not be entitled to any claim for loss, compensation or damage arising out of any such early termination.

TSPL reserves the right to terminate the Contract at any time by giving a notice of 1 (One) months without assigning any reason. The Contractor shall stop the performance of the Contract from the date of termination and hand over all the documents as desired by TSPL. However, the Contractor shall arrange to deliver the Coal lying in his custody to TSPL. No consequential damages shall be payable by the Owner to the Contractor in the event of such termination.

16. SEVERABILITY

If any term or provision of this Contract is declared invalid by a court of competent jurisdiction, the remaining terms and provisions of this Contract shall remain unimpaired and in full force and effect.

17. DEFENSE OF SUITS

If any action in court is brought against TSPL for the failure or neglect on the part of the Contractor to perform any acts, matter, covenants or things under the Contract, or any damage or injury caused by the alleged omission or negligence on the part of the Contractor, their agents, representatives or their sub-contractors, suppliers or employees; the Contractor shall in all such cases indemnify and keep TSPL or their representatives, harmless from all losses, damages, expenses or decrees arising of such action.

18. SPLITTING OF WORK

TSPL reserves the right to split up the work in the scope of this contract among more than one contractor during the progress of work due to unsatisfactory progress of work of the contractor or other reasons. TSPL will not entertain any claim from any contractor as a result of such splitting up. TSPL also reserves the rights to exclude/include any item of work from the scope of contract during the progress of work due to any reason whatsoever. The Engineer-in-charge reserves the right to inject labour, T&P & materials at the contractor's cost at any stage of work in the interest of timely work completion, if the progress is not commensurate with the committed schedule and the contractor will not have any right to object.

19. ASSIGNMENT OR TRANSFER OF CONTRACT

The contractor shall not without the prior written approval of the accepting Authority assign or transfer the Contract or any part thereof, or any share, or interest therein to any other person.

20. SUB CONTRACT

The contractor shall not sublet any portion of the contract without the prior permission of the TSPL.

21. POWER TO VARY OR OMIT ANY ITEM OR WORK

No alternations, amendments, omissions, additions, suspensions or variations in "Scope of Work "(hereinafter referred to as 'variation' in the work) shall be made by the Contractor except as directed in writing by TSPL in connection with the contract, however TSPL shall have the full power subject to the provision hereinafter contained from time to time during the execution of the contract by notice in writing, to instruct the Contractor to make such variations and be bound by the same conditions as far as applicable as if the said variations occurred in the specification. If any suggested variation would, in the opinion of the Contractor carried out, prevent the Contractor from fulfilling any of its obligations or guarantee under contract, the contractor shall notify to the Engineer In Charge, TSPL, thereof in writing, and TSPL shall decide forthwith whether or not the same shall be modified accordingly. The difference of rates, if any, occurs by any such variations, shall be added to or deducted from the contract rate as the case may require in accordance with the rate specified in the work order, but TSPL shall not be liable for the payment of any charges

in respect of any such variations unless instructions for the performance of the same have been given in writing by TSPL.

22. NEGLIGENCE AND DEFAULT

a) In case of any negligence on the part of Contractor to execute the contract with due diligence & expedition to comply with any orders/instructions given in writing by TSPL in connection with the Contract or any contravention in the provisions of the Contract, TSPL may give 21 days' notice in writing to the Contractor to make good the failure or neglect or contravention and if the Contractor fails to comply with the notice within time considered to be reasonable by TSPL, TSPL will suspend/terminate business/dealing in part or fully with the Contractor for specific period or complete contract period.

b) Further in case of such default by Contractor the Owner may also suspend business dealing with the Contractor apart from claiming reasonable compensation/damages, forfeiture of security etc.

23. BANKRUPTCY

If the contractor commits any action of bankruptcy or becomes the subject of, any bankruptcy, insolvency, reorganization, administration, liquidation or similar proceedings, except for reconstruction purposes or carry on its business under a receiver, the executors, successors or other representatives in law of the estate on contractor or any such receiver, liquidator or any person in whom the contract may become vested, shall forthwith give notice thereof in writing to TSPL and shall for one month during which the company shall take all reasonable steps to prevent a stoppage of work, have the option of carrying out the contract subject to the contractor providing such guarantee as may be required by the Owner but not exceeding the value of work. In the event of the stoppage of work, the period of option under this clause shall be of 15 days provided that, should the above option not exercised, the contract may be terminated by TSPL by notice in writing to the Contractor and the same power and provisions reserved to TSPL on the last proceeding clause, of taking the work out of the Contractor's hands, shall immediately become operative.

24. RISK PURCHASE

In the event of any failure on Supplier part to execute the Contract as per the terms mentioned therein, Purchaser shall be at liberty to either:

- a) Continue with the Contract with due liquidated damages; or
- b) Engage any other agency, parallel to the Supplier, to complete part of the balance work at the risk and cost of the Supplier/Contractor; or
- c) Cancel the Contract and get the Material/Equipment / Goods from any other agency at the risk and cost of the Supplier/Contractor.

25. LEGAL COMPLIANCE

The bidder shall ensure that his execution of the contract as well as the facility provided by him comply to all provisions of the relevant legislations, regulations and by-laws of the central / state / local authorities having jurisdiction at site and shall, unless mentioned otherwise in technical scope of work, arrange for all necessary statutory approvals at his own cost.

The bidder shall give all notices required under the said acts, regulations and / or by-laws and shall indemnify TSPL towards any omission or commission in this regard. The bidder shall be responsible for observing all statutory laws in respect of contract labour engaged by him.

26. SAFETY, HUMAN RIGHTS AND ENVIRONMENTAL COMPLIANCE

The Contractor has to comply with safety, human rights and Environmental requirements during the performance of the Contract.

27. ARBITRATION

The parties hereto shall endeavour to amicably settle all disputes and differences relating to or arising out of the contract through friendly negotiations.

- i. In the event of the Parties failing to resolve any dispute amicably the same shall be referred to Arbitration in accordance with the Arbitration and Conciliation Act 1996, as is prevalent in India. Each Party shall be entitled to nominate an Arbitrator and the two Arbitrators so nominated shall jointly nominate a third Arbitrator. The Arbitrators shall give a reasoned award.
- ii. The place of arbitration shall be Bathinda, Punjab and the language of the arbitration shall be in English. The Parties further agree that any arbitration award shall be final and binding upon the Parties.

The Parties hereto agree that they shall be obliged to carry out their Obligations under the Contract even in the event a dispute is referred to Arbitration.

28. JURISDICTION

It is expressly agreed that this Contract shall be governed by the Laws of India and any dispute, difference or claim which may arise between the Purchaser and the Supplier in connection with the performance of this Contract or the rights and obligations of the parties hereto shall be subject to the exclusive jurisdiction of the law courts of the city of Bathinda (Punjab).

29. REPORTING

12. Contractor shall ensure that rakes loaded are not in damaged condition and co-ordinate with Railways as required to restore condition of the Wagon so that spillage shall not happen.
13. The contractor shall follow up and arrange for issue of RRs from the railways authorities and shall deliver the same to the TSPL Power plant authorities by fax and original through courier at the earliest possible.
14. The contractor may deploy his staff / representative to witness jointly the weighment, sampling and analysis of beneficiated coal at TSPL power plant.

15. The rejects from the beneficiation plant, although property of TSPL, will be disposed of by the contractor at his own level and its credit shall be given to TSPL on monthly basis in the bills.
16. The contractor shall co-ordinate with Railways and take all measures to avoid diversion of rakes en-route. The total liability /responsibility of diverted rakes is of the Contractor.
17. The cost of Raw Coal and Railway Freight shall be deposited by TSPL.
18. Rake shall be loaded on Train load basis. In case of Wagon load basis, the extra financial implication will be passed on to Contractor's account.
19. Contractor shall co-ordinate with Railways for timely issue of RR and deliver the same to TSPL.
20. Contractor shall co-operate with TPA/CIMFR, if appointed, for Sampling, preparation and analysis.
21. Contractor shall ensure that, all activities are to be completed as per the Terms & Conditions of FSA.
22. Contractor shall co-ordinate with MCL for issue of Credit Notes, based on actual grade declared by TPA/CIMFR, if the same is lower than the declared grade.
23. It shall be the responsibility of the Contractor to ensure safe transportation and custody of coal lifted from Colliery till delivery at TSPL, Mansa.
24. In order to have up to date information about lifting, loading, dispatch, movement of coal rake and expected placement, Contractor shall provide update to TSPL:
 - Quantity of Coal lifted from Mines on daily basis.
 - Rakes loaded and details of RRs on each rake basis.
 - Expected loading of Rake on daily basis.
25. Insurance of Coal lying at Washery and Transit Insurance from Rake loading point to TSPL shall be in the Scope of Contractor.
26. The Contractor shall at his own expense supply tools, plants & equipment (hereinafter referred to as T&P) required for the execution of the contract other than those listed in the contract.
27. In case of any change in FSA leading to change of collieries/subsidiaries, TSPL may review the contract as per grade, washability and washing facility of the contractor in that particular region etc.

The scope of work has been detailed as above but in case any items is omitted from the Scope of Work but otherwise required to complete the work then such items shall be deemed as included in the Scope of work without any additional financial liability to TSPL.

TSPL expects that prices are quoted below or at par with lowest service charge of existing washing contracts.

2. QUANTITY

The weighment of Washed Coal will be done on In-motion Weigh Bridge installed at TSPL, which will be final for all Commercial purposes. The Contractor shall have the right to witness the weighment and the calibration of the Weigh Bridge. However, in case In-motion Weigh Bridge of TSPL goes defective, then RR weight shall be considered for payment.

The payment shall be released for the coal actually delivered at TSPL. As such the Contractor is to take care and to make necessary arrangement, so that diversion of Washed Coal doesn't takes place.

No Transit loss will be considered.

3. QUALITY

Penalty on account of Higher Ash%

In case the Weighted average Ash content received is in excess of Guaranteed monthly weighted average of Ash content (ARB), then penalties shall be applicable as follows:

- If Ash% received at TSPL is higher than Guaranteed Ash% by up to 2%:
Every 1% increase in Ash% above Guaranteed, output yield will increase by Yield Factor (as per Annexure 1 Serial No. 2 of technical parameters) on pro-rata basis.
- If Ash% received at TSPL is higher than Guaranteed Ash% by more than 2%:
Every 1% increase in Ash% above Guaranteed, output yield will increase by Yield Factor (as per Annexure 1 Serial No. 2 of technical parameters) on pro-rata basis and no Beneficiation charges will be paid.

For Example:

Yield Factor for every 1% Ash (ARB)	: 3.5%
Guaranteed monthly weighted average of Ash content (ARB)	: 36%
Guaranteed yield	: 70%

For Ash% received at TSPL	Yield variation
34%-35%	68%-71.5% on Pro rata basis
35%-36%	71.5%-75% on Pro rata basis
>36%	>75% on Pro rata basis & No beneficiation charges will be paid.

Penalty on account of Excess TM%

In case the weighted average of Total Moisture (ARB) of Beneficiated Coal received in a month exceeds the Guaranteed TM, then the adjustment in weight shall be done on pro-rata basis, i.e. the weight of washed coal shall be reduced by the same %age by which the total moisture in Washed coal exceeds Guaranteed TM (ARB).

The Weight correction for higher Total Moisture (ARB) of Beneficiated Coal shall be worked out as under:

Weight Correction (MT)=

$$\frac{(\text{TM (ARB) of Washed Coal} - \text{Guaranteed TM ARB of Washed Coal}) \times \text{Beneficiated Coal received in month}}{100}$$

The chargeable beneficiation (washed) coal quantity of the month shall be worked out from the beneficiation coal quantity less the weight correction. Railway freight for the corrected quantity shall be recovered from the contractor.

Weight correction quantity will be re-couped from the Contractor.

Penalty on lapsed quantity of Coal

Any lapse in coal quantity due to short lifting by the Contractor, 15% of the Basic cost of the un-lifted coal quantity shall be recovered from the Contractor.

Penalty on Under loading and Over loading charges imposed by Railways

Penalty on account of overloading of the wagons/rakes if charged by the Railways at any time shall be borne in the ratio of 50:50 by TSPL and the Contractor.

The Contractor shall endeavour to minimize under loading charges/dead freight.

Recovery of loading point Railway Demurrage

Any Demurrage charges levied by Railways at rake loading end shall be borne by the Contractor. In case the same is imposed by Railways in TSPL's RR, the same shall be recovered from Contractor's Bills.
