

Expression of Interest-

Supply of Domestic Non-Coking coal for Meenakshi Energy Limited

Vedanta Limited, a subsidiary of Vedanta Resources Limited, is the world's leading Oil & Gas and Metal company and one of the largest producers of Aluminum, Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore and Power across India, South Africa, Namibia, and Australia.

- 1. Meenakshi Energy Limited (MEL), a subsidiary of Vedanta Limited, operates a coal-based Thermal Power Plant of 1000MW (Phase 1 2x150MW & Phase 2- 2x350 MW) capacity, located at Thamminapatnam village, Chillakuru Mandal, Tirupati District, Andhra Pradesh. Currently, Phase 1 has commenced operations, with Phase 2 expected to be operational by end of FY25.
- 2. We are seeking qualified, experienced and financially sound Suppliers to submit their expression of interest with comprehensive details, including their company profile, financials and details of banking arrangement & credit lines.
- 3. Please note that the requirement is for supply of 1Lac MT domestic non-coking coal on FOR basis uniformly distributed with lot wise delivery schedule throughout the period till 31st mar 2025.

4. Submission of EOIs:

Suppliers interested in providing the aforementioned services are requested to submit their EOIs along with relevant documents, including company profile, financials, credentials and brief proposal for the Requirement. EOIs should be addressed to Vedanta Limited and submitted via email to TSPL.EOI@vedanta.co.in no later than 13th July 2024.

5. Selection Process:

The selection of Supplier will be based on the evaluation of EOIs received. Shortlisted candidates may be invited for further discussions. Vedanta Limited reserves the right to accept or modify or reject any or all EOIs without assigning any reason thereof.

6. Confidentiality:

All information provided by Vedanta and exchanged during the selection process shall be treated as confidential and used solely for the purpose of evaluating EOIs. We look forward to receiving your Expression of Interest and the opportunity to collaborate with experienced consultants in achieving our strategic objectives.
